The robbers barge in through the back, disable any way to contact the outside world, and then ransack everything - before distributing the stolen cash to local charities. It might be robbing from the rich to give to the poor - but Detective Inspector Jessica Daniel is not happy. The new DCI has a whiteboard with far too many crimes on the 'unsolved' side and he wants the burglars found. Doesn't he know Jessica has enough on her plate? There's a lottery winner who's gone bankrupt; the homeless teenager she's taken in; a botched drugs raid; a trip to London with DC Archie Davey - and a man-mountain Serbian with a missing wife who's been pimping out young women.
