Colen Publishing, United States, 2011. Spiral bound. Book Condition: New. 190 x 127 mm. Language: English . Brand New Book. The Operative Dictation series, designed by surgeons for surgeons, provides the essential verbal terminology necessary to craft a superior operative dictation note. Each section details multiple common procedures, providing templates including patient history, physical examination, surgical risks, and a fully customizable procedural description. Current Procedural Terminology (CPT) codes are included with each operative note allowing the novice surgeon to become a verbally-skilled surgeon, well versed in CPT code application. Practice makes perfect. By rehearsing your operation in a well-structured, systematic and cohesive fashion, you will increase your operative efficiency and streamline your medico-legal sustaining terminology.
