Tate Publishing Enterprises, United States, 2014. Paperback. Book Condition: New. 221 x 150 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The old lady who had once stayed with Steven for that brief period of time was now on the forefront of his mind. For many years, he kept her words filed away in the back of his memory. Now, with the elections over from 2008 some thirty years later, her words seemed to be relevant to the times. With no finger pointing in any direction, Steven simply states, We all have a part to play in the Grand Layout by Design. The old lady had laid a foundation. He recalled her saying, Technology has to catch up to mankind before we can see the Second Coming. Now, with the implementation of certain programs by our elected officials, Steven understands just what she was trying to teach him. Was this a Biblical prophecy she had revealed to him? He doesn t know. He has done some research and has found that many have already started preparing for something. What though? Only time knows the answers to these questions. Father time, that is. Jesus, to be more exact. Steven, sometimes just a boy in his thoughts, having lived his life in many different parts of the world, has often found himself on the wrong side of the tracks, so to speak. He has since learned it s not about himself anymore, it s all about Christ Jesus and those whom he puts in our pathways.
