

## Introducing Keynes: A Graphic Guide

By Peter Pugh, Chris Garratt

Icon Books Ltd. Paperback. Book Condition: new. BRAND NEW, Introducing Keynes: A Graphic Guide, Peter Pugh, Chris Garratt, As we find ourselves at the cusp of an economic downturn, there has been a clear reinvigoration of Keynesian economics as governments are attempting to stimulate the market through public funds. Forming his economic theories in the wake of the Great Depression, John Maynard Keynes argued that a healthy economy depended on the total spending of consumers, business investors and, most importantly, governments too. Keynes formulated that governments should take control of the economy in the short term, rather than relying on the market, because, as he eloquently put it 'in the long run, we are all dead'. This graphic guide is the ideal introduction to one of the most influential economists of the 20th century, at a time when his theories may be crucial to our economic survival. Through a deft mixture of words and images, "Introducing Keynes" is a timely, accessible and enjoyable read.

### Reviews

*This book is definitely worth acquiring. I have go through and so i am certain that i will likely to read through again again in the future. Its been printed in an exceptionally basic way in fact it is only after i finished reading this publication in which actually altered me, change the way in my opinion.*

-- Andres Bashirian

*Comprehensive guide for publication fanatics. This really is for all who statte there had not been a well worth reading through. I discovered this ebook from my dad and i encouraged this book to find out.*

-- Lacy Goldner
