If you're like me and many others I know, you have had these thoughts and more for quite a while. If one of these scenarios has come true, congratulations! For everyone else, this book is here to serve as a guide on your journey to living within your means. I am a husband and father of two with a slight obsession over money, investing, reducing debt and of course discounts! After all, who doesn't get a rush out of finding the best possible deal on anything they buy? In my case, it has become a way of life and I'm excited to pass all of this knowledge on to my kids, family and you.
