Make believe and fantasy is a wonderful thing. All you have to do is use your mind. Think of what you want a person or thing to look like and then began to imagine building it and putting it together and keep adding until it looks like to you. That is how I write my fantasy stories. The character you are writing about depend on you! Areta BasSteele If you love this fun story, make sure to look for Aretas first book, A Feather Duster Tail. This item ships from multiple locations.
