Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Journal of Experimental Zoology, 1943, Vol. 25 Studies IX and X of this series have dealt with the normal structure of the reproductive organs in the domestic chicken. That matter was undertaken as a preliminary to the study of certain hermaphrodite birds which have come into the possession of the Maine Agricultural Experiment Station. It is only possible to interpret abnormal conditions in the light of and by comparison with the normal. The present study undertakes a description of the external sex characters and internal reproductive structures of those abnormal birds. The general bearing of both normal and abnormal structures in the reproductive systems of the chicken on theories of secondary sex characters will be discussed in still another paper, which has to be delayed for some time as one of the authors (R. P.) has been called by the government to turn his attention to war time problems. II. Material and Methods The material for this study comprises a large number of birds belonging to the poultry plant of the Maine Agricultural experiment...
