# FUNGAL DISEASES AND THEIR MANAGEMENT IN HORTICULTURAL CROPS

Scientific Publishers, 2010. Hardcover. Book Condition: New. Horticulture in India is fast emerging as a major commercial venture, because of higher remuneration per unit area and the realization that consumption of fruits and vegetables is essential for health and nutrition. In the last one decade, export potential of horticultural crops has also significantly increased attracting even multinationals into floriculture, processing and value added products. Productivity of horticultural crops in India is relatively low as compared to other countries. Of the...

## Reviews

---

*Very useful to any or all type of people. This is certainly for those who state there was not a worth reading through. You can expect to like how the writer write this pdf.*

-- **Dr. Rashawn Lang**

*This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).*

-- **Shaniya Torphy PhD**

*A new e-book with a brand new point of view. I really could comprehended everything out of this written e publication. I realized this publication from my dad and i encouraged this publication to understand.*
