John Wiley Sons Inc, United States, 2014. Hardback. Book Condition: New. 229 x 157 mm. Language: English . Brand New Book. The Schema Therapy Clinician s Guide is a complete clinical resource for psychotherapists implementing schema therapy, group schema therapy or a combination of both in a structured, cost-effective way. The authors provide ready-made individual and group sessions with patient hand-outs. * A unique resource providing ready-made individual and group schema therapy sessions, linked across schema modes, allowing clinicians to pick and choose what they need or adopt a full integrated individual and group program which can be delivered over a range of treatment lengths from a six week intensive program to a one year outpatient treatment * Approaches treatment by targeting maladaptive Schema Modes rather than specific disorders, thus increasing clinical flexibility and ensuring shelf life through changes in diagnostic classification * Provides step-by-step instructions and tips for therapists, along with a wealth of unique clinical resources including sample scripts, handouts, session exercises, assignment forms and patient materials * Meets the current need for effective clinical treatments that can provide tangible effects on time and on budget.
