Createspace Independent Publishing Platform, United States, 2013. Paperback. Book Condition: New. 198 x 129 mm. Language: English . Brand New Book ***** Print on Demand *****. Are you offended by the elitism of the public schools? Do you believe parents not bureaucrats should control children's education? Are you appalled at the school system's abuse of pharmaceutical drugs? Do you feel confined by mandatory curriculum and compulsory education? Are you fed up with the lackluster education the public schools provide our children? Would you consider homeschooling and other alternatives to the public schools? If you answered yes to these questions, then **14 Theses In Favor of Homeschooling** may be for you! This work is a shorter and even more focused version of Andrew Bushard's other work, **A Case For Homeschooling: 95 Theses Against The School System**.
