

Federal Bodysnatchers and the New Guinea Virus: Tales of Parasites, People and Politics

By Robert S. Desowitz

WW Norton & Co. Paperback. Book Condition: new. BRAND NEW, Federal Bodysnatchers and the New Guinea Virus: Tales of Parasites, People and Politics, Robert S. Desowitz, Twenty years ago the world slept, confident that biomedical science would protect it from devastating plagues. Our wake-up call sounded at the outbreak of the AIDS epidemic. Then came more unfamiliar pathogens in its wake, such as the West Nile virus. Meanwhile, the neglected diseases of the third world, including malaria and African sleeping sickness, festered-their victims salvageable only by unaffordable, patent-protected drugs. Robert S. Desowitz traces the histories of these diseases and the issues we must confront-the morality and legality of patent laws, the effect of global warming on epidemics, public support for the commercial biochemical industry, the growing dissociation of clinicians and public health professionals, and the terrifying shadow of bioterrorism.

Reviews

Very beneficial for all type of folks. It can be rally intriguing throgh studying time. You will like how the writer publish this ebook.

-- **Nathan Cruickshank**

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
