Greeks and Greece in Mesopotamian and Persian Perspectives: The Twenty-first J. L. Myres Memorial Lecture

By Amelie Kuhrt

Leopard's Head Press Ltd. Paperback. Book Condition: new. BRAND NEW, Greeks and Greece in Mesopotamian and Persian Perspectives: The Twenty-first J. L. Myres Memorial Lecture, Amelie Kuhrt, In this lecture, delivered at New College, Oxford, on the 7th of May, 2001, Kuhrt considers the question of perceptions: the problems inherent in trying to define what the people of the 'east' may have thought about Greeks at different periods in history. She focuses on the period between the 8th and the 3rd centuries BC, when the 'known world' was dominated, successively, by the Neo-Assyrian, Neo-Babylonian, Achaemenid Persian and Hellenistic Macedonian empires. She outlines the political changes in these empires, the evidence for Greek social and political interactions with them, and considers the role that 'Greeks' were allotted in their respective visions of the geographic world. The evidence is made up of allusions in formal, public royal proclamations, brief references in chronicles, king-lists, diaries and scholarly texts and the appearance of Greeks in various administrative and business documents.

Reviews

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
-- *Miss Marge Jerde*

It is really an remarkable publication i actually have possibly study. It usually is not going to cost excessive. Its been written in an exceedingly basic way and is particularly only right after i finished reading this publication through which basically transformed me, affect the way i think.
