This is an easy-reading drama about a little hen, a rooster, a duck, a goose and a fox. Tales were told or enacted dramatically, rather than written down, and handed down from generation to generation. Because of this, the history of their development is necessarily obscure. and fairy tales appear, now and again, in written literature throughout literate cultures, as in The Golden Ass, which includes Cupid and Psyche (Roman, 100200 AD), or the Panchatantra (India 3rd century BCE), but it is unknown to what extent these reflect the actual folk tales even of their own time. The stylistic evidence indicates that these, and many later collections, reworked folk tales into literary forms. What they do show is that the fairy tale has ancient roots, older than the Arabian Nights collection of magical tales (compiled circa 1500 AD), such as Vikram and the Vampire, and Bel and the Dragon. Besides such collections and individual tales, in China, Taoist philosophers such as Liezi and Zhuangzi recounted fairy tales in their philosophical works. In the broader definition of the genre,...
