Clinical Hematology Study Guide Study Topic Part 2 White Blood Cells Clinical Hematology Study Topics Volume 2

By Kippy Shortsox

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 114 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. This study guide was designed specifically for medical laboratory students and those studying for ASCP certification as an MLT. It uses a unique approach and leaves out the gobbledygook and concentrates only on the stuff that you need to know. It begins with a thorough learning outline that leave a space for notes on each opposing page. This allows a student to add information and tailor it to their own specific needs. It ends with a thorough multiple choice and Q and A section. Feel free to email kippy at kippykippyshortsox.com with any questions, concerns, or requests for corrections. A supplement website is available at: <http://kippyshortsox.comblog> This item ships from La Vergne, TN. Paperback.

Reviews

I actually started looking over this publication. It really is rally interesting throgh studying period. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Dana Hintz

Good electronic book and valuable one. It really is basic but unexpected situations in the 50 percent in the pdf. You wont really feel monotony at at any moment of your time (that's what catalogues are for concerning when you ask me).

-- Elisa Reinger
