ITDG Publishing, United Kingdom, 1995. Paperback. Book Condition: New. 241 x 170 mm. Language: English . Brand New Book. Women s indigenous technical knowledge and innovative solutions to problems are in evidence across the whole range of food cycle technologies. This book highlights the broad range of expertise that exists in rural areas. The book first gives a brief account of women s indigenous technical knowledge, and its extent. It goes on to explore women s role in the innovation process and how technical innovation has conventionally ignored this. This argument is illustrated through case studies and lessons; and the book ends with guidelines for development practitioners workingwith women.
