University of Notre Dame Press, 1990. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "Mirand examines the relationship of the legal system to Chicanos, emphasizing its role in the mobilization of bias against Chicanos as well as the expropriation of their land. Extensive attention is given to the development of the bandito and gang images and the use, in changing forms, of these stereotypes to mobilize anti-Chicano relations. The book is detailed and highly instructive in the specific legal means used to deprive Chicanos of their Mexican land grants following the U.S. conquest of Mexican territory... . More than 325 references provide an excellent overview of materials on Chicano history and Anglo-Chicano relations, and are drawn from a wide variety of academic, historical, and popular writings on these topics." -- Choice.
