Paperback. 162 pages. Dimensions: 11.0in. x 8.5in. x 0.4in. In the future, true love is something that can be created to a persons specifications. Meet Denise Merritt - the perfect woman. She is beautiful, caring, emotional, sensitive, smart, friendly, and has the best personality a person could possibly have. She is also not real. Denise is an android (model) and she was made for the man, Steven Adams (mate), who wants to spend the rest of his life with someone special. Once he finally meets her, he had hoped to live out the rest of his life with the only person in the world he truly loves, but he gets swept into an unwelcome adventure when he finds out that certain other models in the world have gone rogue and he must work with the doctors daughter, the only other person in the world who knows what is happening, to stop a global takeover and the extermination of the human race. What happens is a race against time and, at the end, he must make a choice. Does he choose to put a halt to the subtle...
