## Sound Houses

By Will Eaves

Carcanet Press Ltd. Paperback. Book Condition: new. BRAND NEW, Sound Houses, Will Eaves, Will Eaves' first book of poems explores several continents, moods and stages of life. Common experience - of growing up, growing older, losing a parent, being in love, enjoying the natural world in all its nearness and remoteness - provides his themes. Wherever they are set, in the Australian bush or in a West Country sickroom, the poems keep faith with the consolations that come from close observation and stillness. Well-loved authors and books appear suddenly; hair-raising anecdotes and football matches become occasions for elegiac comedy; and, music and domestic ritual raise ghosts. Both formal and informal, funny and sad, these lyrical poems seek out a strangeness in the everyday: in the transformational territory of childhood and the equally uncertain adult world of grief and loss.
