*This written publication is wonderful. It really is loaded with knowledge and wisdom. You will not really feel monotony at any time of your time (that's what catalogues are for relating to if you ask me).

Partridge India, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Ten Tender Tales is a garland of beautifully woven short stories about ordinary people with unique dreams, desires, and choices. While some stories like War in the Workplace highlight our struggle for success in a fiercely competitive workplace, others like The Precious Dancing Dolls delve deep into human emotions and our decision to deal with them in a way we never imagined! This collection is a mixed bag. All in Four Weeks is a fast-paced short story with shades of suspense, intrigue, and mystery, whereas The Life You Choose explores hope amid adversity. While The Mysterious Blue Dog will make you smile, the protagonist of Swept off Her Feet will get you moist-eyed. Each tale explores hope and love despite misery and failures. Isn't that what life is all about?.
