Phil Nader Publications, United States, 2010. Paperback. Book Condition: New. 2nd. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****. Childhood Obesity has tripled from what it was thirty years ago. If nothing is done to reverse this trend, there is a real possibility that children today will have shorter life-expectancies than their parents. Today, our perception of normal has changed! We see overweight children as normal and healthy weight kids as too skinny. Childhood obesity **CAN** be prevented! This book, by a pediatrician and a dietician, gives practical ways to provide, starting in pregnancy and carrying through adolescence, a legacy of health for our children in our own families, neighborhoods and communities.
