Brand New Book ***** Print on Demand *****.Excerpt from Cousin Lucy Among the Mountains One summer afternoon, in the fall of the year, just after sunset, there was a chaise coming down a long hill in the woods. The hill was steep, and there was a rocky precipice on one side of the road. There were lofty mountains all around. In the chaise there were three persons - a gentleman, a lady, and a little girl. The girl was Hollo s cousin Lucy. The gentleman and lady were her father and mother. They were taking a journey. The country was very wild and mountainous, and the road desolate and solitary. If it had been morning, Lucy would have been pleased with the cliffs and precipices, and the towering summits of the mountains.
