

## Discourse on Applied Sociology: Theoretical Perspectives Volume 1: Theoretical Perspectives (Hardback)

By -

Anthem Press, United Kingdom, 2007. Hardback. Book  
Condition: New. 236 x 157 mm. Language: English . Brand New  
Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This engaging two-volume  
study pursues a balance between theoretical and practical  
sociology. The authors are aware of the impasse often  
deliberately created by the self-conscious language of  
sociological theory. The primary concern of the applied  
sociologist is to adapt theoretical knowledge to actual human  
situations, using it to formulate social policy, investigate  
domestic and international social problems and create a  
pragmatic sociology of possibility . Volume I, subtitled  
Theoretical Perspectives , focuses on the problems and  
prospects of applied sociology in an era of globalization. The  
essays emphasize the close association of applied sociology  
with altruism, identity formation, race and ethnicity. They  
evaluate the empirical truths of sociological theories and  
examine their relevance for contemporary research, poverty,  
demographic issues and social policies. The authors agree that  
the ultimate test of theory is the extent to which it can produce  
knowledge that works .
