You must have been infected or affected by HIV/AIDS as a result of sexual misconduct: At this moment as you read this book, you might be having HIV/AIDS in your bloodstream now, or you might have lost a friend, sister, brother, uncle or aunt to the rodent called AIDS. Or worse still, you might have been orphaned or widowed by this common enemy AIDS. It is no surprise: For aeons, the world has recorded countless victims of sexual indiscipline. The world reeks of sexual immorality and humiliation because of Man's inability to control sexual drive. We all bear testimony of those who have gone down the graves as preys to the snare AIDS. We must have lost the next idea carriers of new technology or a family financial giant to the killjoy AIDS, due an impulse Man failed to control for one minute. Wipe your tears forth the last time and do not worry any longer! Kenkoh Nai's sense of conviction, creativity, humour, analogy and anecdote captured in his book; The Possibility of an HIV Free Generation, and his inventiveness in creating a stunning meaning for the acronym HIV/AIDS is an antidote to the pain and sorrow that the disease might have caused you. It may sound impossible especially to those caught in the web of sexual immorality when Kenkoh Nai paints the picture of a lifestyle that guarantees the possibility of an HIV free generation in this book. Kenkoh Nai makes it possible through his phenomenal spirit and ideas he imparts on us in this book. He stands the gap between the old generation that subjected themselves to sexual enslavement and so lost their...
