Tate Publishing Company, United States, 2015. Paperback. Book Condition: New. 226 x 149 mm. Language: English . Brand New Book. The secret government agency which Catherine Carnegie was enticed to join gave her the hardest assignment of her life in Bali, Indonesia. Once alluring, she now found the glamour and danger not worth the required sacrifice. Catherine Carnegie had it all. Born into a prestigious family, any university in the land would receive her due to the generous endowments of her family. Yet her dream was different. After reading Margaret Mitchell's masterpiece, she dreamed of the south. Her family's disappointment did not daunt her. She realized her southern dream in Eufaula, Alabama. Her beautiful home and art gallery located there provided her with pride, but that was not enough for Cat. The allure of a secret life involving state dinners with Washington's best soon was not enough. The more she experienced danger and thrills, just like a drug, the more she desired. Yet eventually, regret of her reckless choices haunted her when given an assignment so sordid and black that her previous life beckoned, but it was too late. Mrs. Jones will keep you guessing.
