Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Brand New Book ***** Print on Demand *****.Consciously applying spiritual teachings to our lives, while watching the universe unfold and respond to that intention, can be life transforming. It is an honorable journey that can be made easier through the conscious decision to fully participate with life and its lessons and to understand that we are not alone on this walk. We ve all heard that old adage that life is not a dress rehearsal. We have this life right now. This is the test. This is the moment that matters - right now - and it is not too soon nor too late to start. It is wonderful to realize that the course we take is actually in walking through our very own perfectly designed personal obstacles. We have within us, both the terrain as well as the capacity to walk it. We can take the journey willingly and happily and choose to walk it courageously. These poems talk about this journey -- a journey that is inward and acknowledges our inner light, and a journey that relies on God to help us find that inner Kingdom which is, after all, the destination. *Inner Light: A Collection of Spiritually Inspired Poems* is precisely about this spiritual walk. It is about the beautiful discoveries made along the way as well as the important lessons that occur between them. The poetry within these pages is unconventional and diverse, incorporating a variety of sound-levels, speeds, rhythms, rhymes and depths. Each poem was either inspired by the personal journey or revelations yet to be discovered. This collection of writing ranges from quiet and contemplative to whimsical and light, to poetry that is more thunderous and expressive. Each poem...
