How many times have YOU struggled to give a report on someone from U.S. history because your teacher said to make it interesting and memorable? The first President of the United States has never been portrayed as he is in America By George! When America Johnson had a homework assignment to give a memorable report on our first president she thought I know just what to do to get my class to always remember George Washington! Some false teeth, a wig and a rap set the stage for this fun filled history lesson. (Yes, you read it correctly- there is a rap in this story!)
