Filesize: 7.51 MB

Reviews

Completely essential go through book. It really is simplistic but excitement inside the 50 % of the pdf. I am very easily will get a satisfaction of studying a composed book.
(Damian Pouros)

HOUGHTON MIFFLIN, United States, 2010. Paperback. Book Condition: New. 201 x 114 mm. Language: English . Brand New Book. You mean delegate, not relegate, right? I think the word is *cachet*, not *cache*. At one time or another we've all suffered the embarrassment of having our remarks corrected by a family member, colleague, or stranger. *100 Words Almost Everyone Mixes Up or Mangles* presents fifty pairs of words that people have trouble getting right and keeping straight--words that tend to get corrected when we're least expecting it. These words include near-synonyms--words with subtle but important distinctions in meaning--like *baleful* vs. *baneful*, and *effectual* vs. *efficacious*. Other pairings bring together notorious sound-alikes, like *faze* (*bother*) vs. *phase* (*stage*), *pour* (*put in fluid*) vs. *pore* (*read closely*), and *waive* (*forgo*) vs. *wave* (*say hello*). The book also addresses some classic spelling blunders and nonwords, like *beyond the pail*, *full reign*, *injust*, and *inobstrusive*. Each word has a definition and a pronunciation, and most have etymologies explaining the word's origin. The mix-ups themselves are described in fun-to-read notes that provide clear solutions to help readers avoid making needless, uncomfortable gaffes. *100 Words Almost Everyone Mixes Up or Mangles* gives readers the chance to improve their command of words that are often heard but not so well expressed.
